

DELL ECOLOOP
PRO BACKPACK

CP5723

An eco-conscious
backpack designed for
on-the-go protection
for your Dell laptops.

CP5723

EcoLoop™ EVA+

Bring your office anywhere

The backpack comes with enough storage to carry most of what you'll need to do your work. It features purpose built compartments and organizers for items that need to be accessed easily.

Complete Protection

Protect your laptop from spills, bumps and scratches with anti-scratch Nylex lining and the 360 degree foam cushioning that has a mesh bumper on top, EVA+ foam for bottom and side walls. The weather-resistant backpack allows you to commute worry-free even on a rainy day.

Designed with the Environment in Mind

Dell EcoLoop™ labeled backpack is produced with select materials and/or methods that reduce the environmental impact compared to traditional industry techniques. The backpack's exterior main fabric is made with 100% OceanCycle Certified™ recycled ocean-bound plastic.¹

CP5723

Thoughtfully designed with the world, and you, in mind

Protect your laptop with this durable backpack made of water-resistant materials for a life on the go. With additional compartment and organizer for keyboard, portable display/tablet, mouse, headset and other tech accessories it's the new 'hub' for your portable office.

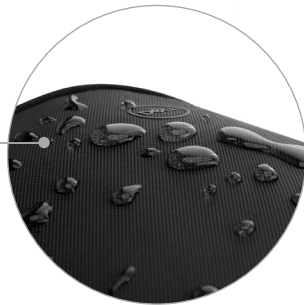

Adjustable shoulder straps and padded back panel

Store documents and all your work essentials

Protect your devices from the elements with premium 840D Ballistic body fabric

Easy to grab zipper pullers

Purpose-built organizer for tech accessories

Navigate airports and train stations easily with luggage pass-through

Two elasticated side pockets for your water bottle and umbrella

Main exterior fabric made with 100% ocean-bound plastic¹

Anti-scratch Nylex lining

360° foam cushioning with mesh bumper on top and EVA+ foam for bottom and side walls

Responsible dyeing process
Made with a responsible solution-dyeing process for polyester that can generate up to 90% less wastewater, up to 62% less CO₂ emissions and uses up to 29% less energy than traditional dyeing processes.²

The backpack comes in packaging which is made of 100% recycled content in the hang tag, hang loop and plastic bag.

EcoLoop™

OceanCycle certified™ ocean-bound plastic fabric on the Dell EcoLoop Pro Backpack main exterior is made from approximately 11 ocean-bound plastic bottles.³

Dell EcoLoop Pro Backpack CP5723 protects Dell laptops up to 17"
